

Rumors Led To Miller's Withdrawal

"I have been charged with unfair tactics by a disqualified candidate who admittedly is still campaigning," Herma Tillim said this week in a prepared statement.

"I would like to point out that persistent rumors of Mr. (Arney) Miller's short residency finally reached the attention of the city attorney who then asked Mr. Miller by phone where he had resided prior to August," Mrs. Tillim's statement continued.

"Mr. Miller said he would make a statement within 24 hours . . . When the time specified by Mr. Miller had elapsed and no statement had been made, in order to protect the voters of Torrance, I did employ a detective to secure the information Mr. Miller had failed to give the city attorney," she said.

"If he had not lived here the required time, I did not want the voters of Torrance to be made ridiculous by voting for a candidate not qualified to take office and being in a position of having an unfair and contestable election," she stated.

Miller withdrew from the election last week after he learned that he did not meet the city's special residence requirements specified under the city charter.

His withdrawal left only Incumbent Albert H. Bartlett and Mrs. Tillim in the race for city clerk.

Pair Held for Investigation

Two Watts men, 20 and 23 years old, were being held by Torrance police yesterday for investigation on probable charges of statutory rape and assault with a deadly weapon.

Two girls, aged 13 and 14, told officers that they and two other girls were picked up in the Watts area and taken to the north end of Maple Ave. here where they were attacked and threatened with a knife. The men deny threatening the girls. The other two girls apparently were not harmed, officers said.

WIND DAMAGE . . . Winds which approached gale proportions for a while Thursday ripped this tree down at the home of Melvin Copeland, 23115 Falena Ave. Copeland, who took the picture, reported that the huge willow fell without damaging surrounding property. Other damage was reported throughout the city during the day.

Dale Wands, 24255 Los Codona, withdrew his request to build two apartments above a three-car garage on his property, but action was taken on a similar request of Mrs. Lorraine Harline, 24283 Los Codona. Planners recommended that two one-story units be allowed, after hearing protests from neighbors.

The request of Catherine Mesplau for C-2 and R-3 zoning for her property at the northeast corner of 170th and Crenshaw Blvd. was hit by some neighbors. Benjamin Higley, 2903 W. 168th St., said rezoning would bring too much traffic into the area. Sixteen persons appeared to protest the zoning.

After some discussion, the Planners urged that the land be re-studied to see if some other acceptable way to develop the land could be found.

WATER AREA
One-sixth of Maryland's total area is water surface.

AN INSPIRATIONAL MESSAGE FROM NICK DRALE

May the spark that burns this Easter Sunday in the hearts of men be ever bright, warm and intense.

May it expell the pain and the weariness that comes with feeling, living and doing; may it keep us humble yet strong, tolerant but understanding.

May we rejoice in the blessings that have come our way and thankful of those that have come to others.

May we keep our face to the sun and our spirit on the heights—for this is the beginning of man's love for his fellow man.
